BILLING CODE 4910-62-M

National Highway Traffic Safety Administration

49 CFR Part 541

[Docket No. T84-01; Notice 26]

Final Listing of High Theft Lines for 1991 Model Year; Correction

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Final rule; correction.

SUMMARY: This document corrects errors in the final listing of high-theft lines for the 1991 Model Year (MY) published on September 11, 1990 (55 FR 37326) by incorporating information that manufacturers brought to the agency's attention subsequent to the final listing. The amended list identifies several Lotus Cars, Ltd. and Isuzu Motors Limited car lines by their model names, rather than code names, corrects the name of two Chrysler Corporation's car lines, adds the General Motors Corporation's Saturn Sports Coupe to Appendix A, and removes the Cadillac DeVille from Appendix A.

EFFECTIVE DATE: February 6, 1991.

FOR FURTHER INFORMATION CONTACT: Ms. Barbara Gray, Office of Market Incentives, NHTSA, 400 Seventh Street SW, Washington, DC 20590. Ms. Gray's telephone number is (202) 366-4808.

SUPPLEMENTARY INFORMATION: NHTSA is correcting errors in the final list of high theft car lines that appeared in the Federal Register on September 11, 1990 (55 FR 37326). This correction document incorporates updated information submitted by Chrysler Corporation (Chrysler), Isuzu Motors Limited (Isuzu), and Lotus Cars, Ltd. (Lotus).

Chrysler Corporation informed the agency that two of its car lines listed in Appendix A were incorrectly identified. The car line listed as "Chrysler TC" should be "Chrysler's TC" and the car line listed as "Chrysler Eagle Talon" should be "Eagle Talon." These corrections have been made in the final listing.

The General Motors Corporation's car line, "Saturn Sports Coupe" was inadvertently not included in Appendix A. The Cadillac "DeVille/Fleetwood" that was granted a partial exemption from parts marking, was inadvertently included in Appendix A. These changes have been made in the final listing.

Isuzu has informed NHTSA of the actual names selected for the two car lines listed for Isuzu. The agency listed the car lines in the MY 1991 listing by code names provided by Isuzu. The "Isuzu 90JZ" and "Isuzu 90JX" are sold, respectively, as the "Isuzu Impulse" and the "Isuzu Stylus."

Lotus notified NHTSA that the two Lotus car lines, the "M100" and "Lotus Elan" listed as high theft are actually the same car line. "M100" was the original project code name for the "Lotus Elan". The final list is revised to identify the "Lotus Elan" only as a high theft car line.

Since the corrections made by this document only inform the public of previous agency actions, and do not impose any additional obligations on any party, NHTSA finds for good cause that the revisions made by this notice should be effective as soon as it is published in the Federal Register.
